ESTATE

Wine is a family tradition in the Romy family. It all began in the 1700's in the south of Burgundy, in the region known as LES PIERRES DORÉES (golden stones). The estate's philosophy is to work in the most appropriate way, using sustainable/organic farming practices to preserve the environment. Nicolas represents the new generation of winegrowers, driving the region forward. The estate runs 25 hectares of vineyards.

SOIL

The estate is located in the Pierres Dorées region with clay and limestone soils. The vines are on average 50 years old.

VINIFICATION & AGEING

Direct pressing with very short maceration (1 to 4 hours). The Gamay grape variety from the south of Beaujolais produces outstanding rosé wines.

Pale rosé with aromas of wild strawberry on the nose. Well-structured on the palate followed by a beautiful length.
